Rosary

Serafina Cinque, ASC – Angel of the Transamazon

The rosary of Mystical Faith in Divine Providence:

Based on the movement of God's grace in the life of Venerable Serafina Cinque, ASC

The mysteries

1. Inspiration:

As an educator, Serafina inspired hope in all, especially the teachers in the classroom, and in her communication outside the classroom as she influenced students and their parents. Meditate on how as Serafina, we too are called to be inspiration in our world.

"How good God is!"

Our Father, 10 Hail Marys, Glory be to the Father...

2. Trust in God's goodness:

As an excellent nurse, Serafina communicated trust in God's goodness to the sick, especially the lepers who seemed to have lost all hope. Meditate on the ways in which today we are called to imitate Serafina in the defense of the sick and the poor, treating each person with dignity and kindness.

"How good God is!"

Our Father, 10 Hail Marys, Glory be to the Father...

3. Confidence in Providence:

As a true friend and sister, Serafina shared her confidence in Providence with other Adorers of the community, whether things were going well or badly, peacefully or with difficulty and for her, whenever she received help of any kind, it was always a sign of God's Providence. Meditate on the ways in which we can see with eyes like Serafina, seeing everything around us as a sign of Providence.

"How good God is!"

Our Father, 10 Hail Marys, Glory be to the Father...

4. Unselfish attitude:

As a witness of a true saint, Serafina showed untiring zeal and unlimited service of love and dedication to the poor and the sick. She gave priority to taking care of the needs of others over her own needs. Meditate on how we can open our hearts like Serafina and share ourselves for the good of others.

"How good God is!"

Our Father, 10 Hail Marys, Glory be to the Father...

5. Gratefulness:

As the person she was, Serafina with a grateful heart, at prayer often thanked the Lord for the many graces God had given her, and she murmured: "Truly, God is good! I am happy to be with God, to live in God and to recount all God's works! " Meditate on how we can always live as Serafina, thanking our God for all.

"How good God is!"

Our Father, 10 Hail Marys, Glory be to the Father...
